Kepada: Saprizal Hadisaputra <rizal@unram.ac.id>

Dear Dr. Saprizal Hadisaputra

Your manuscript, entitled “ Density functional and perturbation calculation on the corrosion inhibition performance of benzylnicotine and its derivatives”

has been subjected to a single-blind review process by reviewers who are experts in the related fields. Enclosed please find the reports from the reviewer.

Based on the reviewers' recommendations, the manuscript requires **Major Revisions** before it can be reconsidered for publication in the AIP Proceeding.

If you decide to revise and re-submit the manuscript, please highlight your correction in the manuscript so we can easily identify where your corrections have been made.
