The following points were confirmed during submission:

1. Coatings is an open access journal with publishing fees of 1600 CHF for an accepted paper (see <https://www.mdpi.com/about/apc/> for details). This manuscript, if accepted, will be published under an open access Creative Commons CC BY license (<https://creativecommons.org/licenses/by/4.0/>), and I agree to pay the Article Processing Charges as described on the journal webpage (<https://www.mdpi.com/journal/coatings/apc>). See <https://www.mdpi.com/about/openaccess> for more information about open access publishing.

Please note that you may be entitled to a discount if you have previously received a discount code or if your institute is participating in the MDPI Institutional Open Access Program (IOAP), for more information see

<https://www.mdpi.com/about/ioap>. If you have been granted any other special discounts for your submission, please contact the Coatings editorial office.

2. I understand that:

a. If previously published material is reproduced in my manuscript, I will provide proof that I have obtained the necessary copyright permission.

(Please refer to the Rights & Permissions website:

<https://www.mdpi.com/authors/rights>).

b. My manuscript is submitted on the understanding that it has not been published in or submitted to another peer-reviewed journal. Exceptions to this rule are papers containing material disclosed at conferences. I confirm that I will inform the journal editorial office if this is the case for my manuscript. I confirm that all authors are familiar with and agree with submission of the contents of the manuscript. The journal editorial office reserves the right to contact all authors to confirm this in case of doubt. I will provide email addresses for all authors and an institutional e-mail address for at least one of the co-authors, and specify the name, address and e-mail for invoicing purposes.

If you have any questions, please do not hesitate to contact the Coatings editorial office at coatings@mdpi.com

It has been reviewed by experts in the field and we request that you make major revisions before it is processed further. Please find your manuscript and the review reports at the following link:

<https://susy.mdpi.com/user/manuscripts/resubmit/2effe481ca057dedbcd436895f475a17>

Your co-authors can also view this link if they have an account in our submission system using the e-mail address in this message.

1. Please revise the manuscript according to the reviewers' comments and upload the revised file within 7 days (Due date: October 31)
2. Use the version of your manuscript found at the above link for your revisions, as the editorial office may have made formatting changes to your original submission. Any revisions should be clearly highlighted, for example using the "Track Changes" function in Microsoft Word, so that changes are easily visible to the editors and reviewers.
3. Please provide a cover letter to explain point-by-point the details of the revisions in the manuscript and your responses to the reviewers' comments. Please include in your rebuttal if you found it impossible to address certain comments. The revised version will be inspected by the editors and reviewers. Please detail the revisions that have been made, citing the line number and

exact change, so that the editor can check the changes expeditiously. Simple statements like 'done' or 'revised as requested' will not be accepted unless the change is simply a typographical error.

(Note from MDPI Editor:

1. City, post code and country must be included in your address.
2. You must include sub-captions for all the sub-figures.
3. Please state manufacturer, city, abbreviation of state and country from where equipment has been sourced.
4. You must include Author Contributions, Funding and Conflicts of Interest parts before reference list.
5. Please do not skip citation numbers when first cited and ensure that there is no repeated references.
6. If there is standards like ISO or ASTM mentioned, please include references.)

Please carefully read the guidelines outlined in the 'Instructions for Authors' on the journal website <https://www.mdpi.com/journal/coatings/instructions> and ensure that your manuscript resubmission adheres to these guidelines. In particular, please ensure that abbreviations have been defined in parentheses the first time they appear in the abstract, main text, and in figure or table captions; citations within the text are in the correct format; references at the end of the text are in the correct format; figures and/or tables are placed at appropriate positions within the text and are of suitable quality; tables are prepared in MS Word table format, not as images; and permission has been obtained and there are no copyright issues.

If the reviewers have suggested that your manuscript should undergo extensive English editing, please have the English in the manuscript thoroughly checked and edited for language and form. Alternatively, MDPI provides an English editing service checking grammar, spelling, punctuation and some improvement of style where necessary for an additional charge (extensive re-writing is not included), see details at <https://www.mdpi.com/authors/english>.

Do not hesitate to contact us if you have any questions regarding the revision of your manuscript or if you need more time. We look forward to hearing from you soon.

Please read the following instructions carefully before proofreading:

- 1) Download the manuscript from the link provided at the end of this message and upload the final proofed version at the same link within 24 hours (1 working day). If you experience any difficulties, please contact the Coatings Editorial Office.
- 2) Please use Microsoft Word's built-in track changes function to highlight any changes you make, or send a comprehensive list of changes in a separate document. Note that this is the *last chance* to make textual changes to the manuscript. Some style and formatting changes may have been made by the production team, please do not revert these changes.
- 3) All authors must agree to the final version. Check carefully that authors' names and affiliations are correct, and that funding sources are correctly acknowledged. Incorrect author names or affiliations are picked up by

indexing databases, such as the Web of Science or PubMed, and can be difficult to correct.

After proofreading, final production will be carried out. Note that changes to the position of figures and tables may occur during the final steps. Changes can be made to a paper published online only at the discretion of the Editorial Office. In this case, a separate Correction or Addendum will be published and we reserve the right to charge 50 CHF per Correction (including changes to author names or affiliations).

Please download the final version of your paper for proofreading here:

Dear Ms. Michelle Liu

Author Names and Affiliations are correct in the proofreading manuscript, but I find some errors regarding affiliations, country and email of co-authors within Susy. Please help me change them within Susy:

1. Agus Abhi Purwoko's affiliation is correct in this proofreading manuscript: Chemistry Education Division, University of Mataram, but within Susy it is Austrian-Indonesian Centre for Computational Chemistry, FMIPA, Universitas Gadjah Mada. Please help me change it.
2. Niko Prasetyo email should be nikop@ugm.ac.id, **not** niko@ugm.ac.id. Please help change it to nikop@ugm.ac.id within Susy.
3. Emmy Yuanita's country and affiliation is correct in this proofreading manuscript: Indonesia and Department of Chemistry, University of Mataram, but I find it wrong within Susy: Taiwan and Department of Applied Chemistry, Chaoyang University and Technology .

I have made other improvements to the proofreading manuscript. I will also complete the payment invoice today.

Dear Dr. Hadisaputra,

Thanks for the re-submission of your manuscript which has been well received. I'm glad to inform you that your paper would be ready for publication once you completed the payment.

We hope that this paper could be published within this month, so here is a kind reminder for you to complete the payment soon. For the conversion will not be started if the paper hasn't been paid.

Here I forward the invoice email for you. Could you please kindly confirm the latest time you would complete the payment? If you meet any trouble during your payment, please feel free to consult our website <https://www.mdpi.com/about/payment> or contact our billing staff by e-mail at invoices@mdpi.com.

Thanks for you understanding and look forward to hearing from you.

Kind regards,
Ms. Michelle Liu

Dear Authors,

Before the publication, please sign these confirmation letters below (we have attached):

Due to the delay in the international transfer, you could choose to sign the Payment Commitment letter which is a proof of your payment of the publishing fees, so that we could publish your paper before we receive your full payment.

Please give me a feedback as soon as possible.

Thank you very much for your kind cooperation. If you have any questions, please do not hesitate to contact us.
