Dear Editorial Board of  
Scientific Study and Research-Chemistry and Chemical engineering, Biotechnology, Food Industry.

We would like to submit the article entitled "Stirred Bioreactor for the Robustness Production of Recombinant GST.VP28 in Fed-batch cultivation of Escherichia coli". Therefore, could you please find out the manuscript at the attached file.

We are looking forward your responses.

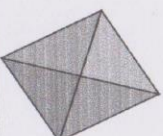

My best regards

## Manuscript SCS-CICBIA - STIRRED BIOREACTOR FOR THE ROBUSTNESS PRODUCTION OF RECOMBINANT GST.VP28 ..... - suggestions for potential reviewers and small modifications needed Inbox x

redactia\_ciba <redactia\_ciba@ub.ro> to me Thu, Oct 29, 2015, 12:59 AM

Dear author,

According to the new peer-review policies of our journal **it is mandatory** to provide, for each submitted manuscript, the names and contact details of at least three potential reviewers who have not been advisors, collaborators or co-authors within the last three years. Suggesting reviewers with expertise closest to the subject of study will help the editorial office to speed up processing of the submission. As potential reviewers you can draw from researchers you have cited in your manuscript.

Note that the editor retains the sole right to decide whether or not the suggested reviewers are used.

For your article entitled:

**STIRRED BIOREACTOR FOR THE ROBUSTNESS PRODUCTION OF RECOMBINANT GST.VP28 IN FED-BATCH CULTIVATION OF *ESCHERICHIA COLI*** (Authors: Muhamad Ali<sup>1\*</sup>, Ismaini<sup>1</sup>, Sulaiman N. Depamede<sup>1</sup>, Bagus D.H. Setyono<sup>2</sup>, Alis Mukhlis<sup>2</sup>, Muhamad Amin<sup>3</sup>, Mohammad Ashari<sup>1</sup>)

please **provide the names, coordinates and the institutional e-mail addresses of at least 3 potential reviewers / referees**. A working e-mail address for each reviewer is essential for rapid review.

Also, in order for your manuscript to enter the peer review process, we kindly ask you to resend us your article after:

- reviewing and rephrasing the formulations marked in red (not comprehensible or bad english);
- citing in text also reference [20] (All literature listed in the "References" section must be cited at least once), given the fact that this reference is currently missing from the text;
- verifying if the last names / family names / surnames are are correctly written on even pages headers (only surnames should appear; checkit if it is correctly ALI, ISMAINI, DEPAMEDE, SETYONO, MUKHLIS, AMIN and ASHARI).

Please do all the modifications directly on the manuscript attached in this e-mail (48. ALI et al. \_ 27.10.2015), in which some changes / completions were already realized by us (formatting, completions etc. in accordance with the indications of the template (instructions for authors) of the journal *Scientific Study & Research – Chemistry & Chemical Engineering, Biotechnology, Food Industry (SCS-CICBIA)*).
