Manuscript Number: INAT_2020_331

Editorial. COVID-19 and its impact on neurosurgery: our early experience in Lombok Island Indonesia

Dear Dr Muhammad Rosyidi,

Thank you for submitting your manuscript to Interdisciplinary Neurosurgery: Advanced Techniques and Case Management.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Interdisciplinary Neurosurgery: Advanced Techniques and Case Management and hope you will consider us again for future submissions.

Kind regards,
Petra Klinge
Editor-in-Chief

Interdisciplinary Neurosurgery: Advanced Techniques and Case Management

Editor and Reviewer comments:

Dear Dr. Rosyidi,

sorry that it has been taken so long. At this point I was not able to recruit any reviewers. I will accept your Letter given that I do not want to delay your message anymore and I hope you can forgive me for not having been able to publish this in a more timely fashion.

I still was hoping to get some input from reviewers, but it did not work that way.

I hope the acceptance is satisfactory to you. I will ask the Production team to waive the production and publication fees for you.

Sincerely,

Petra Klinge
