Dear Editor of PalArch Journal,
I have paid the payment of publication as asked before amount USD 400 (seen at the email of acceptance, it is attached) and it was paid through paypal scholar_economist@yahoo.co.uk. (as suggested in the next email, it is attached). I USED MY FRIEND'S PAYPAL DISWANDI and his account. I asked his help because I do not have paypal account. I do not know what I got invoice payment again?

I HAVE BEEN AWAITING FOR ITS PUBLICATION.

Dear Editor,

It was said on LoA before that the publication will be held on March 2021. But now it's been in March and the information about the publication of my article is absent.

I wish I could have got the certain information when it will exactly be published.

I have paid the payment of its publication, that the proofs were sent through my previous email (it's attached).

I hope there is no problem with the factor of payment. But it is only a matter of time/schedule.

I look forward to hearing your answer and its publication.

Thank you very much

My best regards
