Dear,
Please is the journal Livestock Research for Rural Development indexed in Scopus?

reply

Melanie Ortiz 2 years ago

SCImago Team

Dear Messai,
Thank you very much for your comment.
All the metadata have been provided by Scopus/Elsevier in their last update sent to SCImago, including the Coverage's period data. The SJR for 2019 was released on 11 June 2020. We suggest you consult the Scopus database directly to see the current index status as SJR is a static image of Scopus, which is changing every day.
