Dear Editor in Chief of the Journal of Xi'an Shiyou University, Natural Science Edition Journal

We would like to submit our paper entitled "Relevancy of Islamic Economic Values to Sustainable Development Goals (SDGs)" to the Journal of Xi'an Shiyou University, Natural Science Edition Journal. The paper actually demonstrates the relevancy of Islamic Economic Values in supporting the achievement of SDGs by elaborating the drivers or the causes of natural resources damage and degradation. We present the reasons that convinced the values of Islamic Economics could be implemented in conjunction with the natural resources preservation efforts.

We hope that the paper can satisfy the requirements needed by the journal so that the paper could be published in the next chance.

Thank you for your kind attention.

Sincerely yours,
Mansur Afifi
