Scimago Team

Dear Nikhil,

Thank you for contacting us.

SJR is a portal with scientometric indicators of journals indexed in Elsevier/Scopus. Unfortunately, we cannot help you with your request referring to the index status. We suggest you consult Scopus database (see the current status of the journal) or the mentioned database for further information.

Sorry i want to ask about the coverage. what's the meaning of the coverage of 2009-2016 is canceled? i published my article here at 2016. is that mean our article is not known by scopus? i am waiting for the reply thank you.

reply

Melanie Ortiz 3 years ago

SCImago Team

Dear Arista, thank you very much for your participation. Our data comes from Scopus/Elsevier, which offers an annual copy of their database. We understand that since the date indicated by Scopus/Elsevier the journal is no longer indexed in its database. We suggest you to consult the Scopus database to see if your article is indexed. Best Regards, SCImago Team

Q **Qori** 5 years ago

Dear Scimago Team.

Could you please give an explanation regarding the coverage status of this journal (International Journal of ChemTech Research)?

We are very confused because it is stated that the coverage is 2009-2016 (cancelled). What does "cancelled" mean? Is the journal no longer indexed in Scopus?

We will wait for your feedback. Thank you in advance.

Best regards,

Qori
