**The 1st NiTRiC 2022** <nitric@unram.ac.id>

10 Juni 2022 pukul 21.34

Kepada: ardiana.ekawanti@unram.ac.id

Dear Participants,

We hope you are doing well. Thank you for your abstract submission into The 1st Nusa Tenggara International Conference on Chemistry 2022. Once the reviewing process is done, we will reach you out through email again.

Furthermore, we would like to remind you that All participants who are willing to attend the event should **attach the proof of payment on this page**: <https://bit.ly/nitricpop> . Kindly refer to the conference fee details [here](#). One participant is responsible for their own proof of payment that aligns with their participant category for the fee details. Failing to do so will affect a longer process for the system securing your spot. Moreover, it might hinder you from securing a spot at our conference.

Thank you for your cooperation.

Regards,

The 2022 NiTRiC

## Abstract Acceptance Letter

1 pesan

---

**The 1st NiTRiC 2022** <nitric@unram.ac.id>

12 Juni 2022 pukul 21.14

Kepada: ardiana.ekawanti@unram.ac.id

Dear Participants,

We hope you are doing well.

Firstly we would like to show our gratitude for submitting your work to our very first Nusa Tenggara International Conference on Chemistry 2022.

We have received many abstracts containing various interesting research topics in Chemistry since the moment we launched the 1st NiTRiC Call of Paper. Furthermore, we are pleased to inform you that all abstracts submitted to NiTRiC have been reviewed.

We are delighted to inform you that your abstract with details as follows:

- Title: The Adequacy of Antioxidant Intake of Pregnant Women in Artisanal Small Scale Gold Mining in Encountering Pandemic Condition
- Author(s): Ardiana Ekawanti, Suryani As'ad, Rosdiana Natsir, Husaini Umar, Ima Arum Lestarini, Deasy Irawati, Lina Nurbaiti

has been **accepted** to be presented at our Conference. **Congratulations!**

We also would like to remind you that All participants who are willing to attend the event should **attach their proof of payment** on **this page** <https://bit.ly/nitricpop> . Kindly refer to the conference fee details [here](#).

Furthermore, kindly refer to this page for full paper submission: <https://bit.ly/nitrcfullsubmission>.

We are excited to welcome you to the Conference Days.

Have a good day.

The 1st NiTRiC Committees

Electrochemistry and applications  
Materials and advanced materials  
Environmental chemistry and its aspects  
Reaction engineering and quality control  
Homogeneous and heterogeneous catalysis  
Renewable and sustainable energy  
Computational modelling and chemometric  
Chemical engineering and process  
Chemical Education and society
