Note	From
Dear Authors,	hanin
Thank you for submitting your manuscript "Determinants of Global Cognitive Decline in Epilepsy Patient in Mataram, Indonesia" to Medical Journal of Indonesia. The reviewers and editors have reviewed your manuscript and recognized its potential for publication. However, there are several aspects requiring revisions.	2022-05-30 11:07 AM

Please find the attached file with the compiled comments from the reviewers and editors to assist you in making necessary improvements. You have to send the revised manuscript back by the due June 20th 2022.

Best Regards,
Agus Rizal A. H. Hamid, MD, Ph.D
Editor in Chief

Medical Journal of Indonesia

Dear Author, hanin

Dear author,

Thank you for submitting your revision. It has been reviewed by our editors, and there are several necessary improvements that need to be made. Please combine table 1 and table 2, adjusted OR included in table 2 could be placed in table 1. We look forward to having your response by the end of this week, so that we could proceed this into the copyedit phase. Regards, Hanin - Editorial Assistant Medical Journal of Indonesia

▶ Dear Editor,

I would like to follow up the manuscript review process.

I have sent the revision as requested on 24th of July. At that time, I have tried to upload the revised manuscript through the journal system (here) but failed. Therefore, I send the manuscript via email.

I hope the file has been well received.

Thank you.

Kind regards,

Deasy
