Dear Authors, Reviewers, Readers or Partners

Thank you for contacting us. We confirm that your email has reached us. We will reply to you as soon as possible.

For Authors: Thank you for considering *the International Journal of Electrical and Computer Engineering (IJECE)*, ISSN: 2088-8708 (**Scopus** indexed journal) as the right place for your work. You should **ONLY** submit your papers using [our online submission system](#) (**submissions by email will be ignored**). Please ensure that you have prepared your manuscripts in line with [the IJECE's Author Guidelines](#) (where there are further relevant instructions that you must read and follow to ensure your submission goes smoothly). A good research paper has a clear statement of the problem the paper is addressing, the proposed solution(s), and results achieved. It describes clearly what has been done before on the problem, and what is new. All submissions will be reviewed by three independent reviewers and refereed by the Editors. Submissions will be judged on the following criteria: *Relevance, Significance, Novelty, Technical correctness, Experimental/evidential support, Clarity of presentation and Reference to prior work and publications.*

How to submit your manuscript?

To make a submission, you must have a user account and **be enrolled as an Author**. User accounts can either be created by the Journal Manager or you can [register yourself](#) (this journal policy allow you create user account by your self as a Reader, an Author and/or a Reviewer). All fields with an asterisk beside them (Username; Password; Repeat Password; First Name; Last Name; Email) are mandatory. Your username and your email address must be unique; furthermore, while you can change your email address at a later date, you will be unable to change your username. If you want to register in another role within the same journal (for example, if you are already a Reader, but also want to become an Author) you can log in; go to Edit My Profile (under My Account on your User Home page); and check off the checkboxes next to any available roles, near the bottom of the page. Once you have an account, log in to the journal site and select the role of Author.

Your cooperation is very appreciated.

Best Regards,

T. Sutikno
