Dear Dr Wardhana

We are pleased to inform you that we have received the manuscript "Intraparenchymal Cerebellar Capillary Hemangioma in a 32-Year-Old Man: a Case Report" to be considered for publication in **Frontiers in Surgery**, section Neurosurgery.

You can access the review forum and track the progress of your manuscript using the following link:
<https://www.frontiersin.org/Journal/MySubmission.aspx?stage=100>

Your manuscript is now in the initial validation stage to determine its suitability for peer review. Should your manuscript be sent out for peer review, you will receive a notification once we receive the reports from reviewers and the interactive review forum is activated. You will then be able to read the review reports and exchange directly with the reviewers in the interactive review forum as well as submit a revised manuscript, if appropriate. If the required number of reviewers endorse your manuscript in the Independent Review stage, their tabs will be closed and the manuscript will be forwarded to the Review Finalized stage, where you will be able to interact with the handling editor via the Editor tab.

Kind regards,

Your **Frontiers in Surgery** team

Dear Dr Wardhana,

Frontiers Surgery Editorial Office has sent you a message. Please click 'Reply' to send a direct response

I am pleased to inform you that your manuscript "Intraparenchymal Cerebellar Capillary Hemangioma in a 32-Year-Old Man: a Case Report" has been approved for production and accepted for publication in **Frontiers** in Surgery, section Neurosurgery. Proofs are being prepared for you to verify before publication. We will also perform final checks to ensure your manuscript meets our criteria for publication (<https://www.frontiersin.org/about/review-system#ManuscriptQualityStandards>).

The title, abstract and author(s) list you provided during submission is currently online and will be replaced with the final version when your article is published. Please do not communicate any changes until you receive your proofs.

Any questions? Please visit our Production Help Center page for more information: <https://helpcenter.frontiersin.org>

You can click here to access the final review reports and manuscript: <http://www.frontiersin.org/Review/EnterReviewForum.aspx?activationno=41f50da7-4292-436c-b14c-74cbac7267ed>

As an author, it is important that you keep your **Frontiers** research network (Loop) profile up to date, so that you and your publications are more discoverable. You can update your profile pages (profile picture, short bio, list of publications) using this link: <https://loop.frontiersin.org/people/>

Best regards,
Your **Frontiers** in Surgery Team,
