Dear Sir/Madam,

We are glad to send you the revised paper, hopefully our paper can be published in this journal.

If there is something of our paper that we need to revise, let me know.

Thank you very much for your help.

Sincerely,

Ujianto

Dear Prof.

We would like to inform you that your paper titled: Interspecific Hybridization Among Vigna Species to Create New Superior Variety Containing High Prote

with ID Number: iaras-320175262

has been now accepted in the International Journal of Agricultural Science of IARAS: www.iaras.org

We have important reviewers' comments and we will send them to you after your registration in order to improve the final version of your paper.

You must send me the final version of your paper incorporating the reviewers comments in the correct IARAS Format.

Registration Deadline: May 20, 2018

Revised paper submission Deadline: May 25, 2018

The cost of publication is:

100 EUR / paper for registrations with bank deposit

110 EUR / paper for registrations with credit card

IARAS Journals are Open Access journal accessible for free on the Internet.

We guarantee that no university library or individual reader will ever have to buy a subscription or pay any pay-per-view fees to access articles in the electronic version of the journal.

There is hence no revenue at IARAS neither from the sale of subscriptions to the electronic version of the journal nor from pay-per-view fees.

Yet, the online publication process does involve costs including those pertaining to setup and maintenance of the publication infrastructure, routine operation of the journal, processing of manuscripts through peer-reviews, editing, publishing, maintaining the scholarly record, and archiving. To cover these costs, the journals depends on Publication Fees. Publication Fees are due when a manuscript has been accepted for publication.
