COPYRIGHT TRANSFER AGREEMENT

(Your article will only be sent for review upon receipt of this document)

The Effect of Different Concentrations of Gelatine derived from Shark Skin as Stabiliser in Pineapple Juice

The Academy of Sciences Malaysia (“the Publisher”) will be pleased to publish your article (“the Work”) in the ASM Science Journal (“the Journal”) if the Work is accepted for publication.

By accepting this agreement, the authors transfer all copyright ownership in and relating to the Work, in all forms and media, to the Publisher in the event that the Work is published. The Publisher has the right to edit, revise, abridge, and condense the manuscript.

The authors warrant that the entire Work is original and unpublished; it is submitted only to this Journal and all text, data, figures/tables or other illustrations included in this Work are completely original and unpublished; these have not been previously published or submitted elsewhere in any form or media whatsoever; and the Work does not violate or infringe on any other copyright or other rights related to any other work.

The corresponding author accepts responsibility for submitting this Work on behalf of any and all co-authors. After submitting this Work by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted.

Once this Work is accepted for publication in the Journal, it may NOT be withdrawn.

However, this agreement will be null and void if the Work is not published in the Journal.
