Dear Mr. Man Deok Seo

My apology I could not revise my manuscript (OSJO-D-18-00008R1) on schedule. I need one more month to get it done. In the last two weeks we have been experiencing terrible multiple earthquakes here in Lombok. I hope things will be better in the next 2-3 weeks.

If you could give me one more month I will submit my revised manuscript. Otherwise, I need to withdraw my submission on OSJ.

Thanks very much for your encouraging soft reminder.
