Journal of Classroom Action Research

Jurnal Penelitian Tindakan Kelas

**Diterbitkan Oleh:
Program Studi Magister Pendidikan IPA
Pascasarjana Universitas Mataram**

Journal of Classroom Action Research e-ISSN: 2656-2340, p-ISSN: 2656-3460 is a journal that contains articles on the results of classroom studies, from lecturers, teachers, as well as the results of student research. Journal of Classroom Action Research is one of the journals published by the Master of Science Education, Postgraduate Studies, University of Mataram. This journal is published 4 (four) times a year, February, May, August, and November. The Journal of Classroom Action Research is a journal that provides open access to research results that can be read and downloaded free of charge to the public and will support the exchange of knowledge of research results in the field of education. All content is published under the license [Creative Commons Attribution 4.0 International License \(CC-BY License\)](#).

The journal aims to provide high-quality papers and critical issues in the field of education including:

- Teaching and Learning Innovation,
- Instructional Design and Methodology,
- E-learning
- Teacher Education
- Educational technology
- Learning Environment
- Assessment of Educational Practices
- Classroom Research
